

# ATTENTION ALL POLICE OFFICERS in ONTARIO

You are requested to lawfully and forthwith take the Lieutenant Governor ELIZABETH DOWDESWELL into custody for numerous criminal code violations, and lay the appropriate charges as detailed in this and other supporting documents. CC s366 Forgery, s83.231(1) HOAX terrorism.

Analysis of Ontario's Declarations of Emergency and Emergency Orders suggests that signatures of the **Lieutenant Governor**, Premier, Chair of Cabinet, and Administrator of the Government were edited, copied, pasted, and fraudulent. A crime has been committed, and is still in progress.

Absent from Emergency Management and Civil Protection Act Declarations and Orders signature pages are: Seal, O-Reg number, and 'Filed with the Registrar of Registrations' stamp, date, location.

Transforming document backgrounds from white to black reveals jagged edges around signatures from a digital eraser used to erase pixels. Signatures on black backgrounds reveal truncated text/signatures, skewed text, broken lines, broken text, broken signatures, and faint shadow boxes indicating signatures were edited, copied and pasted. This document provides criminal evidence of fraudulent documents including signatures relating to Declarations of Emergency, and Emergency Orders. Only wet and electronic signatures are recognized and can be verified. INVESTIGATE.

If this is so, the Declarations of Emergency, and Emergency Orders are fraudulent. FRAUD vitiates every transaction and all contracts. Indeed, the principle is often stated, in broad and sweeping language, that fraud destroys the validity of everything into which it enters"—37 Am Jur 2d, Section 8 <https://definitions.uslegal.com/f/fraus-omnia-vitiat>

O-Reg 264/21 DECLARATION OF EMERGENCY April 07, 2021 and O-Reg 291/21 EXTENSION OF EMERGENCY April 16, 2021. Before Doug Ford's signature [if it is his signature] the word 'Recommended' is broken suggesting Doug Ford's signature was copied and pasted. Details below.

Signature editing needs to be investigated post haste, along with fraud, Criminal Code and Constitutional violations. **Signature alteration by erasure, and/or obliteration is FORGERY s366.**

Section 15 of the Charter, as well as section 1(b) of the Canadian Bill of Rights - equal benefit and equal protection of the law - no one is above the law including the Lieutenant Governor - permits any and all Police Officers to detain and question and charge the Lieutenant Governor, as is your duty under section 1.2 of the Police Services Act, so as to safeguard the Fundamental Rights and Freedoms, the Human Rights Code, the Canadian Bill of Rights, and the Human Rights Act.

POLICE, lawfully and forthwith take the **Lieutenant Governor ELIZABETH DOWDESWELL** into custody for questioning and possible criminal charges - **Forgery s366, HOAX terrorism s83.231(1).**

The FRAUD committed on the population of Ontario can end immediately with the immediate arrest of the **Lieutenant Governor Elizabeth Dowdeswell.**
